

Continuing to Serve You During Furlough

To Our Patients and Beneficiaries: From 8 July to the scheduled date of 30 Sept, 2013, our Government Service employees will be furloughed one day per week. During this time, most hospital clinics and services will be fully operational, and will maintain **normal clinic hours (in most cases 0700 to 1600)**, except that you may experience longer wait times. However, some clinics or services have changes in hours during this period only. They are listed below in alphabetical order.
